The tooth fairy has been generous!

**\$700 free dental
for eligible kids.**

What is it?

The Child Dental Benefits Schedule (CDBS) is a government funded initiative providing eligible kids \$700 worth of basic dental every 2 years starting from 2 years of age until they reach 17 years.

Families with children between 2-17 years will be means tested and must be receiving the Family Tax Benefit Part A or other relevant government payments to be eligible for the CDBS.

What Services Are Covered?

The CDBS covers basic dental services including check-ups, x-rays, fillings and extractions. Other specialist dental services such as orthodontics are not covered by the CDBS. Every 2 years the eligible child will receive a capped benefit of \$700. Eligibility is based on means testing and is determined by the Department of Human Services.

Am I Eligible?

Families with children between 2-17 years will be means tested and must be receiving the Family Tax Benefit Part A or other relevant government payments to be eligible for the CDBS.

Eligibility for the benefit will be determined each calendar year by the Department of Human Services however the funds are valid for 2 years.

You can confirm your child's eligibility and balance amount by accessing your Medicare online account at myGov or calling the Medicare general enquiries line on 132 011.
